

Using SHOUTcast

What's my username and password for the admin section of my server?

Your username is "admin", you can find the password in the client area in the SHOUTcast Server Settings page under "Administrator Password".

Version: (?)	SHOUTcast DNAS 1.9.8	
Server Password: (?)		
Administrator Password: (?)		Change
Title Format: (?)		

For our administration purposes, we require this password to be randomly generated.

Unique solution ID: #1025
